Gymnastics Class Descriptions

MOMS DADS & TOTS GYMNASTICS

Moms and/or Dads accompany their child in this introduction to gymnastics. Each class begins with a group warm-up activity followed by a coach-guided activity on the trampoline. Parents/guardians and tots, together, are then able to encourage the child's developing physical skills, flexibility, body awareness and strength by exploring all of the gymnastics equipment. The class is concluded with a group activity. Tots must have reached the walking stage before enrollment. You will get as much out of these classes, as you put into the classes. Enjoy your time with your child!
